

UCW Community Discussion Forum

* The *Communications and Community Engagement Committee* invites you to participate in our first quarterly forum. Please join us for an interactive discussion with fellow homeowners.

The purpose of the forums will be to give homeowners a space and the opportunity to openly discuss HOA-related topics, as well as to provide feedback that can be shared more broadly with the HOA.

March Topic: HOA Participation and Communication

Saturday, March 2, 2024, 1:00-3:00 p.m.

Location: UCW pool area

We look forward to seeing you then!
